MACQUARIE UNI LAW REVUE

Macquarie University Law Revue 2022 presents Kirby: An Australian Mootical. Prepare yourself for another round of fever-dream inspired sketches, parody and dancing guaranteed to save your marriage, tank the economy and leave your pupils suspiciously dilated! With lyrics and music written by Lin-Manuel Miranda's cat Lucy Fur and the cast dressed in poorly fitting spandex skin suits, you'll be simply champing at the bit for an encore!

"Disgusting! Disgustingly good!" – Matt Preston

"Law Revue caused the complete loss of my subjective self-identity" – Anthony Albanese

"[This show was a] HOOT!" – Local Owl
